Client:
Halton Borough Council

Supervising Engineer:
Halton Borough Council

Value:
£510,000

Contract Duration:
7 months

Works Package

- Filling in of two pedestrian subways beneath Runcorn Busway.
- Construction of new pedestrian 'At-Grade' crossing points in lieu of subways.
- Construction of graded footways / cycleways and ramps (compliant with the Disability Discrimination Act), incorporating new kerblines, asphalt surfacing, drop crossings and raised bus boarder kerbs.
- Various landscaping works including tree felling.
- Carriageway resurfacing and application of new road markings.
- Installation of pedestrian guard railing and hand railings.

Hazards and Restrictions

- Works subject to traffic and pedestrian management.
- Sensitive operations to be carried out during off peak hours.
- Maintaining both safe footpath and vehicular access throughout the works.
- Various buried services along the length of the site.
- Other demolition and construction works nearby.
